OPERATORS GUIDE FOR MTTN

Parents are invited to go to the cafeteria 6:00-6:45 for fellowship and information.

There you can pick up your student's schedule as well as PowerSchool and My Big Campus information. Then you will go directly to your student's first period class which will begin at 7:00. Each class period will be seven minutes long, and you will have seven minutes to change classes. (Remember, your students have only five!) You will hear intercom announcements telling you when each class ends.

Here is the schedule for tonight:

7:00-7:07.....1st period

7:14-7:21.....2nd period

Note: Homeroom will not meet.

7:28-7:35.....3rd period

7:42-7:49.....4th period

7:56-8:03.....5th period

8:10-8:17.....6th period

8:24-8:31.....7th period

Full-day REACH...(REACH Rm.)

4th period.....grades 7-8

5th period.....grades 9-12

For seventh grade rotation/
exploration (4th period), go to the
class listed first.

Teachers could meet 100 tonight

Because each teacher tonight could be meeting the parents of 100 or more students, it is not a good time for individual parent conferences. Should you wish to schedule a conference with any or all of your student's teachers, call Mrs. Linda Gregory (767-4949) to arrange an appointment for a 7:00 a.m. conference. Always allow 24 hours. We welcome your involvement!

Need a schedule for tonight?

We have copies of your students' schedules ready for you to pick up. Go to the school counselor table in the cafeteria.

Harding web site

Check the Harding website regularly. You can see links to PowerSchool and My Big Campus, athletic schedules, reading lists, student handbook, photographs of happenings, teachers' email addresses, and more!
